

Notice: Business Hours Changing

We are pleased to say that we are prepared to remain open as a critical service. We will continue to be open 24/7 for occupational injuries and drug screens at our Leonard clinic. Unfortunately, we will be limiting our full-service hours at all three clinics for this period of time in keeping with the mandate. As of **Wednesday, March 25th, 2020**, the new hours are as follows:

- **Holland and Breton** – open 9am to 1pm only Monday thru Friday for injury care and drug screens, physical exams from 9am to 12pm
- **Leonard** – open 24/7 for injury care and drug screens, and 7am to 5pm for physical exams Monday thru Friday.

Please call our clinics directly to inquire about physical therapy hours and refer to our website (www.med1occupationalhealth.com) for updated information for all services.

At this time, we are screening all patients for fever prior to rendering services.

We do apologize for any inconvenience these changes may cause and thank you for your continuous support!

Sincerely,

MED-1 Management
